

# VST 3 Forum

Visit Steinberg's **VST Developer Forum** in order to get help with development, to submit bug reports, to request new features and to connect to other **VST 3** developers:

In this page:

- <https://sdk.steinberg.net>

The screenshot shows the Steinberg VST Developer Forum website. The header includes the Steinberg logo and the text "sdk.steinberg.net 3rd Party Developer Forums". Below the header is a navigation bar with "Board Index" and "Developer Forum". The main content area is titled "Developer Forum" and displays a table of forum topics. The table has columns for "Topics", "Posts", and "Last post".

Topics	Posts	Last post
<b>News and Announcements</b> Read all about official statements and update announcements.	4	4
<b>VST 3 SDK</b> SDK for VST 3 audio plug-in and host development.	311	1249
